RICHMOND LOSES AGAIN.

LYNCHBURG WINS BY SUPERIOR BATTING AND FIELD WORK,

The Cantral City Boys Start Out with a Rush but are Oniplayed by Their Hill City Opponents,

LYNCHBURG, VA., May 11.-Those who had the faith to watch and wait saw Lynchburg win to-day one of the finest game of ball that has been played here in a long time. It was by odds the best league game seen here during th season, and Lynchburg won it from Richmond-purely by superior battery and field worker. This, too, in spite of the fact that two costly errors were made on the Lynchburg side-Glass' wild throw from first base to home, and McKenna's wild one from right field to second

Richmond started out like she was going to win the game, scoring one in the first inning. Kaln got his base on bail. Jobe want out from second to first, and Foster from pitcher to first. Kain making a base each time, lie could have been put out at home plate but for Glass' throw over Websier's head. As it was Kain scored.

Lynchburg made one in the fourth, Sands making a three base hit and coming in on sick speaks two bargers. In the

ing in on ale K nna's two-barger. In the fifth, Caboura made a good hit to right. McGann's grounder was fumbled at first. and he made second, Osbourne going to third, and afterwards scoring on Sands hit to left.

In the seventh Richmond took another and final turn at run-making. Foster hit to first, West hit to right field, and he and Foster both scored on McKenna's wild throw to second, the ball spinning out toward the left-field corner. Set ley hit a three-bagger, but got caught between third and home.
Lynchburg won the game in the cighth

inning. McKenna s'ruch a ball to third and made third base on Napier's bad throw to first. McKenna was brought in by Glass' hit. Lipp hit for one base, forcing Glass out at second. Mechan filed out. With two men out, Lipp on third, and the score a tie, the interest was intense, when Lyston came to the bat. He fanned the air twice, but on the third round he struck the sphere squarely for Richmond went out, one, two, three, in

An Amusing Contest in Madison-Pear-

It was a fight between the fogles and "kids," in which the latter were victorious. The issue was taxation for street improvement. The foglaughed at the idea; they wanted to pursue the good old method of sum-moning the male citizens of the town bemorning the male citizens of the town be-tween certain ages, about twice a year to work the streets—the method that pre-vails in regard to road improvement in most of the backwood counties of the State. UNIVERSITY OF VIRGINIA, May II.—
Special.—The cold, damp, and generally disagreeable weather had such a had effect this afternoon that the few faithful rooters who ven ured out saw the poorest exhibition of the season. For the first three innings the game was interesting, but with the exception of the eighth inning the rest of the play was lifeless. Then, with two men on bases and no outs, Virginia retired the side in one, two, three order, through Nelson striking out Darlington, Combes' difficult catch of an apparently safe foul, and Parker's pretty assist to Smith. Harper's throw from centre field to home-plate, cutting off a runner, helped to dispel some of the monotony. It was found that when the President was held by some good old Democrat for a short talk, and there was special trouble in paying proper attention to a parcel of children, not more than thirty-four or thirty five persons were shaken by the hand in one minute, but with no special Interruprion, from thirty-nine to forty-three would be greated. The maximum record was made for the Blues.
